

Your Special Invitation

.....

You are cordially invited to join the **Samaritan Legacy Society**. This special society was created to recognize the many loyal friends who have established a personal legacy in support of Samaritan's patients and families, by making a provision in their will or estate plan.

Samaritan's leadership, staff, and volunteers commit themselves to providing unparalleled care to meet the physical, emotional, and spiritual needs of our patients and the loved ones who care for them.

Thanks to the generous support of our donors, Samaritan also consistently

goes above and beyond to offer additional services that are not reimbursed by Medicare or other payers. These comforting services include massage, music, and other complementary therapies, grief counseling and support groups, and transitional services and resources for those not yet eligible for hospice.

By leaving a Samaritan legacy, you help ensure that our supportive services will be there for all who need our care in the future.
