TEAM Gala

PRESENTED BY
HOLMAN ENTERPRISES

Samaritan cordially invites you to an elegant evening of dinner and dancing to honor the diverse teams working together to benefit Samaritan patients and their families. Along with the medical hospice and palliative teams, volunteer core, and donor contingent, we look forward to recognizing three special families for their dedication to Samaritan: The Buehlers, Gladdens, and Mancines.

TEAM BUEHLER

From board and committee leadership positions, personal and corporate donations from the family-owned LRP&P Graphics and Pad and Publication Assembly Corp. – and a golf-course lemonade stand in memory of Grandpa – three generations of Buehlers have found diverse ways to team up with Samaritan!

TEAM GLADDEN

Inspired and supported by the life-affirming benefits of palliative and hospice care, the Gladdens have teamed up as dedicated ambassadors in memory of daughter and sister Deadra, building awareness and understanding from the family's perspective at local, state, and national forums.

TEAM MANCINE

Inspired by our comforting care of a family member and close friends, three generations of Mancines have connected with Samaritan through volunteer board service, golf committee leadership, personal and corporate giving from family-owned Mancine Optical, and support for Samaritan's annual Thanksgiving basket project – while leaving lasting legacies at The Samaritan Centers at Mount Holly and Voorhees.
